Grand Jury Report.

TO the Honorable the Judges of the Court of Quarter Sessions of the Peace in and for Adams county.

The Grand Jury for the August Term, 1866, having visited the Public buildings, beg leave to *submit the following report:*

We found the Jail building, with the cells, &c., in good order, neat and clean, and in a condition highly creditable to the officer in charge.

We have the same to say in regard to the Alms-house. The rooms of the inmates, as well as the beds, presented an air of cleanliness and comfort which spoke well for the Steward.

We noticed that the buildings and grounds immediately surrounding them were enclosed with a fine substantial fence, which, whilst it adds considerably to the appearance of the place, is also a great convenience, and assistance to the Steward, by keeping the inmates within bounds. We also noticed a great improvement in the Cooking department, an excellent Range having been put up, which lessens the labor of preparing food, at a saving of fuel. These improvements, whilst naturally attended with considerable expense, we consider as permanent and necessary.

We noticed that one of the rooms in the northeast end of the main building has been injured by the roof becoming defective, and call the attention of the Directors thereto.

Respectfully submitted.

COM. OF ARRANGEMENTS.
Sept. 3, 1866.

THE TWENTIETH CORPS.

The Carlisle *Volunteer* says that all the officers of the late 20th Corps, except Geary, (who commanded the 2d Division,) endorse and support the restoration policy of President Johnson. Gen. Slocum, its heroic commander, Gen. Williams, of the 1st Division, Gen Ward, of the 3d Division, and Gen Rousseau, of the 4th Division, all declare that the war was *not* a failure, that the rebellion is suppressed, that peace reigns, and that the Southern States are now within the Union. They all sign the call for the Soldiers' Convention, to assemble at Cleveland on the 17th day of September, to endorse the President. Geary, we repeat, is the only officer of the late 20th Corps now found in the disunion ranks; he is the only black sheep of the Corps. The 20th was a gallant Corps, and its commander, the brave Slocum, was a most gallant man. What a shame it is that Geary, one of its officers, is now found in company with traitors like Stevens and Forney and their compeers in crime. Shame on you, John W. Geary.

NEW YORK ELECTION.

The Democratic State Central Committee in New York has called a State Convention to nominate a Governor and State officers, at Albany, on the 10th of September. The call is made in these words:

"All electors opposed to the measures and principles of the present majority in Congress, and in favor of the policy of National restoration adopted by President Johnson, are invited to participate in the election of such delegates."

The Conservative Union and Republican State Committee, appointed at Saratoga, unite in the same call. They say:

"And they invite all the electors of the State opposed to the measures and principles of the present majority in Congress, and in favor of the policy of National restoration adopted by President Johnson, and of the declaration of principles enunciated by the Philadelphia Convention, to participate in the primary meetings for the election of such delegates."

There will be a union of all the political elements in New York against the Jacobins this fall. The result will be their overwhelming defeat. Two-thirds of the next New York delegation in Congress will be for the President's policy of the immediate admission of the Southern members. The Radical State ticket will be beaten by 50,000 votes, at least.

A NEW PARTY.

General Geary, in his speech in Perry county, a few days ago, went into a learned explanation of the word Radical. After tremendous labor his brain brought forth the following. He said:

"My friends, we are denounced as Radicals. Now, my friends, most of you are plain, unpretending farmers, and may not understand what the word radical means. My farmer friends, it is derived from the latin word *radicus* which means *a root.* My friends, as you all know, a radish is a root. *Therefore they might just as well call us radishes as Radicals.*"

How learned this was, and how apt the General was in defining himself! We take him at his word, and dub him the *Radish* candidate for Governor.

Geary and Negro Suffrage.—General Geary in his late speech at York, said:

"I have already said that I am in favor of universal justice and freedom; and I claim to be a sincere and earnest friend of ALL men, in whatever clime or country, without regard to caste or condition, who are struggling for a higher and nobler state of moral, political and religious freedom—and enlargement of their natural and inalienable rights."

The right to vote is the only "higher state of political freedom" which the negro is struggling for. Geary is therefore in favor of *negro suffrage,* but he might have said it in fewer words.

☞The Washinton *Examiner,* in scorling Geary for calling the Democratic soldiers "shysters and cowards, skulkers and hospital bummers," says: "There were a thousand men in the Harrisburg Convention whom the poltroon who skulked at Lookout Mountain would not dare to face." We believe that.

THAD. STEVENS TO HIS CONSTITUENTS.

He Declares Negroes to be the Equals of White Foreigners.

Thaddeus Stevens was re-nominated for Congress, by the Radicals of Lancaster county, week before last, and upon accepting the nomination, he made a speech, from which we make the following extract:

"We have not yet done justice to the oppressed race. We have not gone as far as the Emperor of Russia, when he ordered the freedom of thousands of his oppressed people and endowed them with the right of citizenship. We have been too much governed by our prejudices. We have listened too much to those whose cry is "Negro Equality"—"Nigger"—"Nigger"—"Nigger!" *We are influenced too much by those persons from foreign lands who, while in search of freedom, deny that blessed boon to those who are their equals.*"

The man who uttered these words stands in the *fore-front* of the Radical faction. He is its Jupiter Tonans, and as he winks it nods. He speaks for it and his utterances are accepted by its members as parts of their creed. Hence the Radical faction, through Thaddeus Stevens, formally and solemnly declare that *Negroes are the equals of white foreigners!* Foreign-born citizens! Descendants of the pioneers who came from the banks of the Rhine, from the vine-clad hills of France, from the green fields of Erin, from bonnie England and from glorious Scotland! Do you believe in such doctrine, and will you march under the banner of such leaders?—*Bedford Gazette.*

A STORY ON GEARY.

A gentleman, whose word may be implicitly believed, tells us the following characteristic story on Geary, the "loyal" candidate for Governor of Pennsylvania: When Geary returned from his Kansas mission, he was taken ill with a fever, somewhere across the river, but not far from Steubenville. A physician was called, to whom Geary said: "Doctor, you know my life is worth more than those of all the farmers in the vicinity, and so I beg that you will discontinue your visits to other parties, and give your whole attention exclusively to me." "My dear sir," replied the physician, "the lives of those farmers are as precious to them as yours is to you. I will give you the attention you need, but I cannot neglect the good friends who have entrusted their health to my care. I will do the best I can for all."

Some years afterward, the doctor was telling the story, and added: "Now it has turned out that all of those farmers whose lives were of so little value in the estimation of Geary, have honestly and faithfully paid me their bills, but that of the high priced Governor remains unsettled to this day!"

No physician should vote for Geary until he pays that bill, and no farmer should vote for him under any circumstances.—*Greensburg Democrat.*

There is another little story that Geary will not like to hear about, which has a long unpaid bill connected with it—which will be laid before the public at the right time. The bill was contracted a good many years ago, with a prominent lawyer in this State, who helped the Radish candidate out of a bad scrape. The fee remained unpaid until since he was nominated for Governor, when a threat of exposure had the effect to bring the lawyer a check for one hundred dollars. Geary will understand the case perfectly. How will he like the whole thing exposed? We know about it.—*Doylestown Democrat.*

A GEARY HERO.

The malignant assaults of the Harrisburg *Telegraph* and other Radical journals upon the most prominent members of the Clymer Soldiers' Convention have led to the institution of an inquiry into the military character of the chief actors in the Geary Soldiers' Convention at Pittsburg. The result is by no means flattering to the Geary men. It has been found that the President of their Soldiers' Convention (Joshua T. Owen) was so bad a soldier that the gallant General Sumner ordered him to be tried by court martial; and this court, which was presided over by that brave and accomplished officer, General Hancock, found him guilty of two out of the three charges preferred against him, and sentenced him "to be dismissed from the service of the United States."

With such an official record as this standing against the presiding officer of the Geary Convention at Pittsburg, common prudence would suggest to our opponents the propriety of refraining from assaults upon the gallant soldiers who participated in the Clymer Convention at Harrisburg. But the Radical papers, always reckless and unscrupulous, have been rendered desperate by the dismal prospect before them. They rush blindly forward and hurl missiles that recoil and destroy their own friends.—*Patriot & Union.*

GEARY AT NEWVILLE.

The Hero in still another point of view.—The Perry county *Democrat* relates the following of Geary's visit to Newville.—"The Negro Suffrage candidate, *Johnny Geary O,* visited Newville a few days ago, personally begging for votes. He walked the street hat in hand, kissed the babies and flattered their mammies, and was sweet on the poor people generally. He presented the abject spectacle, the first seen in the history of our State, of a candidate for the first magistracy soliciting votes from door to door. Sensible men, even of his own party, were disgusted, and he failed to create the enthusiasm that his gallant (?) achievements in Mexico and at Snickersville might have warranted. He went into the tailor shop of our friend C., and meeting there some six of the white "boys in blue," he inquired—"well, how many votes will I get here?" There was a general smile on the countenances of the boys when one of them who had formerly served in the *redoubtable* General's regiment and knew of his tricks at Chancellorsville and Lookout Mountain, and how he skulked and then claimed honors that belonged to others, replied, "can't see it, General, you might make a good Provost Marshal but you are too well known to be made Governor." The rest joined in the laugh and the negro candidate bolted. He had enough."

☞The N. Y. *Independent* says: "The name that nerved our volunteers and gave us victory at last over rebellion, was the saintly one of old John Brown." This may be true as regards such soldiers as Gen. Geary. It was Stonewall Jackson's name, however, that nerved the General's *legs* when he left Snickersville so far behind him.

THE ASTOUNDING RECORD!!

READ, TAX-PAYERS, READ!!!

Citizens, Honest Men, Lovers of Your Country, Read!

From the beginning of Washington's administration in 1789 up to the end of Buchanan's administration, upwards of 70 years, we had accumulated a national debt of but $13,900,392, and such a thing as a NATIONAL TAX was unknown.

The Jacobins, and those of the Forney and Geary faction came in power in 1861, and have in five years fastened a national debt upon the country of

$2,633,099,276,38!

But few men have a conception of this enormous sum. It is 25,000 miles around the world. A greenback dollar is 7½ inches long, and to sew their ends together, this enormous debt would make a string of greenbacks

12 Times Around the World,

and yet leave a balance of

$55,733,311.

It scarcely seems credible but such is the astounding fact! Such the result of Jacobin rule.

But this is not all! This is only the present national debt, and does not include the money that has been forced by taxes from the people and expended.

For the four years, from 1862 to 1865 inclusive, Greeley's Almanac gives the expenditures at

$3,519,672,298.18,

enough to make another string of one dollar greenbacks

16 Times Around the World,

and leave a balance of

$113,197,722.

Add now the actual expenditures of the government and the above debt which is yet to be paid together, and you have as the cost of keeping these Jacobins, negro lovers and Disunion thieves in power, the astonishing sum of

$6,152,771,374.18,

enough in one dollar greenbacks with their ends fastened together to go

28 Times Around the World,

and yet leave a balance of

$163,941,066,

in only four years.

This calculation does not include the prodigal expenditure of the Rump Disunion Congress of this year. Nor does it include State and bounty taxes, resulting from their rule, nor moneys paid for substitutes by the people! Nor waste of property and a thousand other incidentals. These taxes would make a sum equally as great! Or enough in all to put a line of greenbacks

56 Times Around the World!

Honest men, tax-payers, voters, what do you think of the negro disunion record? You will remember that in 1860 when the Democrats said that this Disunion party would create a civil war if placed in power, they declared it a LOCOFOCO LIE! and said their party creed would give peace, introduce economy and reform, and create national harmony and prosperity.

And yet they refused the Crittenden and all other compromises, and made the war, killing by battles and disease

500,000 Men,

enough to make a string of dead bodies, allowing each to be six feet, over

586 miles long!

They claimed when thus drafting and slaughtering the people, and stealing and wasting money enough to put a line of greenbacks 56 times around the world, that it was to bring the South back into the Union, but now they struggle to keep it out and are violently

Opposed to the Union,

but demand that the negro shall be equal to the white man, and that

Negroes Shall Vote.

Thad. Stevens, their leader, says the Union, with his consent, shall

Never be Restored.

While they were slaughtering the people and stealing the money they declared that it was TREASON TO OPPOSE THE PRESIDENT! But now setting up negro equality and their Jacobin party creed against the Union they call the

President a Traitor!

because he and those who sustain him are for the Union.

In 1860 these Jacobins claimed to be the especial friends of a free press, free speech and freedom, but as soon as they were safely in power they sought to

Crush by Despotism,

every one who opposed their party creed and mobbed or refused circulation through the mails to OVER 170 NEWSPAPERS and arrested and imprisoned large numbers of editors and citizens from all parts of the north.

The last act of the Jacobin Disunion plunderers is an attempt, not only to destroy the Union but to enforce taxation and

Deny Representation to the People;

to refuse them the right of petition, and to incite a revolution to

Overthrow the Government.

This is evident by their efforts to take arms from the government and send them to Jacobin Governors, and by the recent attempts at New Orleans and throughout the South to incite INSURRECTIONS and REVOLUTIONS to overthrow the legal authorities of States.

Patriots, honest men, lovers of peace, what think you of this startling but truthful record?

Soldiers, men of property, supporters of free government, what think you of this Jacobin conspiracy to destroy the Union and erect a

Negro Despotism?

Will you, can you, continue them in power by electing Geary? Or will you sustain peace, Union, economy and honesty by the election of Clymer? WORK NOW! Tell your neighbors of these astounding expenditures of your money; tell them of the Jacobin crimes against society; against the Union and against the Government! No matter what your former politics may have been, patriotism and duty calls upon you to raise your voice against this monster of iniquity which, after having robbed and murdered the people, seeks now the destruction of the Union, the overthrow of the government, the establishment of negro suffrage, and an aristocratic and despotic government by TREASON, USURPATION, REVOLUTION, fraud and force!—*Sunbury Democrat.*

ADDRESS OF THE DEMOCRATIC STATE COMMITTEE.

DEMOCRATIC STATE COMMITTEE
ROOMS, 828 WALNUT STREET,
PHILADELPHIA, August 20, 1866.

To the People of Pennsylvania:

The issues of the canvass are made up. The restoration of the Union and the preservation of your form of government are the vital questions that now confront you.

Secession is dead, but disunion still lives. Slavery is extinct, but fanaticism survives.

The rights of the white man are submerged in efforts to elevate the negro, and the black man is sought to be made a controlling element in the politics of the Republic.

Centralization seeks to rear its despotic power upon the ruins of the Constitution, and foreshadows a war of races for its accomplishment.

Proscription and disfranchisement usurp the places of magnanimity and clemency, and discord and hate combat Christian charity and national concord.

Congress refuses to nourish the resources necessary for payment of the debt of the Republic, and loads with taxation the industrial interests of the North.—Congressional extravagance is the rule; economy in public affairs, the exception.

A Convention of representative men from each of the United States has met within the past week; they have forecast the future, agreed in sentiment, and dispersed to their homes.

Their work has passed into history; to the impartial mind that work is a perfect answer to the charge that the South is not ready for restoration.

Composed of men of every section, holding every shade of political opinion, they have re-enunciated the eternal principles that lie at the base of our institutions, have renewed their vows of fealty and of brotherhood, and have joined hands in an united effort to restore the Union and preserve the government created by the Constitution.

No man need err in this contest:

Support Congress and you sustain disunion, attack your government, and elevate the negro at the expense of your own race.

Support the President and you restore the Union, preserve your government, and protect the white man.

On the one side are Stevens, Sumner, agitation and disunion.

On the other, the President, the Union, peace and order.

By order of Democratic State Committee. WILLIAM A. WALLACE,
Chairman.

THREATENED INTERFERENCE WITH A FREE BALLOT.

The Radical party is based upon the "higher law" doctrine. They obey the laws and respect the Constitution, when such a course of action will benefit them in a political point of view. When it will not, they disobey the former and denounce the latter. This was the case with reference to the Dred Scott decision, and in numerous other instances during the past ten or fifteen years. The same principle is now invoked by the Radical leaders in reference to the law relating to the disfranchisement of alleged deserters and non-reporting drafted men.—The *Press* says, "that lists of these persons are being printed at the State printing office at Harrisburg, under instructions from the State officials. These lists, it is said will average about one hundred and fifty names to each regiment, or an aggregate of from thirty to thirty-five thousand names. They will be sent with a copy of the act of the Legislature disfranchising deserters and non-reporting drafted men to all the election officers of the State, with instructions to refuse the votes of all whose names appear upon the lists."

The law of Congress upon which the State law is based has been submitted to the consideration of the Supreme Court of the State, and that tribunal decided that no man can be disfranchised unless he has been tried and found guilty of desertion or non-reporting by a lawful and competent tribunal, and that election officers have no right to decide upon these disputed points. They cannot have all the facts before them in relation to each case, and unless they have great injustice may be done. This decision certainly covers the whole question under the State law, as the Radicals mean to enforce it. They are preparing lists of the persons they assert to be deserters and non-reporting drafted men. These lists will be sent to their judges and inspectors of elections in all parts of the State, and they are instructed to deprive men of their votes upon the evidence of these printed lists alone. They are to be the only judges. Now, this is just what the Supreme Court, in a kindred case, said they had no right to do, and hence they are ignoring and disregarding the decisions of the highest court of the State, and setting an example of resistance to the legal authorities at once dangerous and demoralizing.

The movement chronicled by the *Press* is intended to deprive a portion of the citizens of Pennsylvania of their votes. Both the law of Congress and that of our State was passed for political purposes.—The partisan point of the former has been broken by the decision of the Supreme Court, but the Radicals are determined to enforce the latter, despite the action of that body. Their election officers, under instructions from the State officials, will refuse the votes of all citizens whose names may appear upon their prepared and manipulated rolls. This is an open attack upon the principle laid down by the Supreme Court. All good citizens are bound to accept the interpretation given to laws and the application of principles to cases by high State courts until their decisions and interpretations are overruled and reversed by the Supreme Court of the United States. If this be not done, anarchy, confusion and misrule will assuredly follow. The titles to property and the safety of life depend upon the sanctity of judicial decisions.—If principles pronounced wrong in one law can be incorporated into another and carried out to the disadvantage of thousands of citizens, there is no refuge from the arts and machinations of bold, unprincipled and reckless men.

The "State officials," in thus instructing election officers to violate a principle promulgated by the highest judicial tribunal in the Commonwealth have been guilty of a grave misdemeanor. They are bound by the responsibilities of their official positions to set examples of ready obedience, not only to the letter, but to the underlying spirit and principle of all laws. The Supreme Court has decided that the main principle of our State law with reference to deserters and non-reporting drafted men, that which declares that Judges and Inspectors of elections shall pronounce upon the guilt or innocence of persons charged with the disfranchising offences, is wrong, and those sworn to see the laws properly and fairly executed should not step aside from the plain path of duty in order to gain a political advantage.

The legal voters of this State mean to deposit their votes in the ballot-box on the second Tuesday in October next.—They have a right to do so, and that right they will exercise. Where men are disqualified from exercising the elective franchise, and that fact is shown in a proper manner and by such proof as the law requires, their ballots should not be received. On this point there will be no dispute, so far as Democrats and Conservative citizens are concerned. They will have a fair election. The "State officials" who are heading this attack upon a free

Clymer Coming!

DOOLITTLE AND BIGLER TOO!

We have the pleasure of announcing that HIESTER CLYMER WILL BE WITH US. A letter from Mr. Wallace, Chairman of the Democratic State Central Committee, says that Mr. Clymer will address the people in GETTYSBURG, on THURSDAY, THE 4TH OF OCTOBER, Senator DOOLITTLE and Ex-Gov. BIGLER may be expected also, with several prominent military gentlemen. A regular call will be issued hereafter. Democrats and Conservatives of Adams, prepare for an immense demonstration.

JOHNSON, CLYMER,

An Undivided Union, and a Preserved Constitution!

All who oppose the Radical Republicans in their infamous schemes to divide and disrupt the Federal Union; all who oppose the odious heresy of taxation without representation; all who oppose that hateful batch of reckless legislation known as the Civil Rights Bill, Freedmen's Bureau, Negro Suffrage and Negro Equality; and are in favor of the Restoration policy of President Johnson, with its crowning results in National Peace and National Prosperity—and in favor of upholding his Conservative Administration as opposed to a Radical Disunion Congress; all in favor of a White Man's Government and the supremacy of the White Race; and in favor of Lower Taxes and National Retrenchment—are cordially invited to the following meetings, each of which will be addressed by several speakers:

At Newman's School-house, in Mountjoy township, on THURSDAY EVENING, September 13th.

At Mummasburg, on FRIDAY EVENING, September 14th,

At Francis Bream's, in Cumberland township, on MONDAY EVENING, Sept. 17th.

At Abbottstown, on TUESDAY EVENING, September 18th.

At Conrad Wagner's, in Mountpleasant township, on WEDNESDAY EVENING, Sept. 19th.

At East Berlin, on THURSDAY EVENING, September 20th,

And on SATURDAY AFTERNOON, September 22d, a grand WOODS MEETING will be held in Henry J. Myers's grove, near New Chester, which will be addressed by several speakers from abroad.

Arouse, White Men of the country, and rebuke the wicked schemes of a Radical and Revolutionary Congress, and sustain and encourage the patriotic efforts of President Johnson in his restoration of the States!

Soldiers, vote the way you shot—for the Flag, the Union and the Constitution! Beat back the weakening columns of the Radical wing! Stand by the President and the Union!

W. A. DUNCAN,
Chairman Democratic County Committee,
Sept. 10, 1866.

THE WOODS MEETING.

The Democratic Mass Meeting to be held in Geiselman's Grove, in Union township, on Saturday next, promises to be a rouser. The "note of preparation" is sounding throughout the "Lower End," and is extending to the remoter townships. Should the weather prove at all fair, a glorious meeting may be expected. Several of the ablest speakers in the State will be there, whilst the exercises will be enlivened with plenty of good music. Rally, friends of the Union, and swell the increasing tide which promises soon to engulf negro Radicalism with its odious heresies!

TALK! REASON! WORK!

Let every Democrat and conservative man talk to his neighbor who is in error; reason with him; give him no rest until he convinces him of the dangers which await him in case of the success of the Radical party. Work as though upon your own individual efforts depended the success of the cause. Now is your opportunity. Let it not pass unimproved.

UNION MEN!

Think of this! GEN. U. S. GRANT and GEN. W. T. SHERMAN support the President and oppose the Radicals. Generals John A. Dix, Daniel E. Sickles, H. W. Slocum, J. A. McClernand, W. W. Averill, G. A. Custer, W. Crook, A. C. Gillem, and a long list of their brother generals have called a National Union Convention of soldiers to sustain the President. When all these heroes oppose Radicalism, is it not time for all good Union men to think of doing likewise? Come, now, will you follow the lead of Grant, Sherman and Dix, or that of Thad. Stevens, Charles Sumner and Ben Wade?

☞After the enthusiastic reception given Fred. Douglass, the negro, by the Radicals at Philadelphia, last week, let no Radical longer deny the negro-equality plank in his party creed. The *leaders* were there, and *they* did more honor to this impudent negro than any white man among them!

☞The soldiers should remember that Congress voted *five thousand dollars* salary to themselves, *three hundred dollars* bounty to the negro soldier, and *one hundred dollars* to the whites. White soldiers will please make a note of this and *remember* their Congressional *friends* at the ballot-box.

☞Where are the men who composed the Lincoln Cabinet—SEWARD, BATES, BLAIR, WELLES? With the President, heartily.

☞The Democrats and Johnson Republicans have united on a ticket in Michigan, and will sweep the State.

THE RADICAL PLAN.

Under the editorial heads of a majority of the Radical papers will be found printed in full the Radical plan of "Reconstruction." It is nothing more nor less than the proposed Amendment to the Constitution of the United States, submitted by Congress at its late session. Upon this platform the Radicals of the whole country now stand, and Geary has been put forward as their candidate for Governor in Pennsylvania upon it.

Let us examine its main plank—which is in these words:

ARTICLE—*Section 1. All persons born* or naturalized in the United States, and subject to the jurisdiction thereof, *are citizens of the United States and of the State wherein they reside.* No State shall make or enforce any law which shall abridge the privileges or immunities of citizens of the United States. Nor shall any State deprive any person of life, liberty or property without due process of law, nor deny to *any person* within its jurisdiction the *equal* protection of the laws."

The reader will please compare this, word for word, with the section as printed in the Radical papers. Having satisfied himself that we quote with entire correctness, we ask his attention to the words we have italicised. "*All persons*"—mark you, not *all white persons only*, but "*all* persons," of all colors,—"born or naturalized in the United States and subject to the jurisdiction thereof, *are citizens* of the United States, and of the State wherein they reside."

This clause, it will be observed, makes *Negroes CITIZENS!* Now mark what follows: "No State shall make or enforce *any law which shall abridge the privileges or immunities of citizens of the United States.*" One of the privileges of citizens of the United States, is the RIGHT TO VOTE. Hence, this Amendment first makes Negroes CITIZENS, and then prohibits any State from making or enforcing any law which shall abridge the privileges of such Negro citizens, including the RIGHT OF SUFFRAGE! And to clinch the nail, the section winds up by declaring, "Nor shall any State * * * deny to *any person*" (that is, white or black) "within its jurisdiction the *equal* protection of the laws." If all persons, white and black, are to have the *equal* protection of the laws, of course Negroes must be protected just as the whites are, in all things, the ELECTIVE FRANCHISE included.—Now, then, it is proposed by the Radicals to incorporate this Amendment at once in the Constitution of the United States. It has already been ratified by some of the legislatures of the Northern States. The next legislature of our own State will be called upon to act upon this Amendment. If a majority of Radicals shall be returned to that legislature, Pennsylvania will ratify the Amendment. If three-fourths of all the States ratify it, it will be a part of the fundamental law of the land, and NEGRO SUFFRAGE and NEGRO EQUALITY will be fixed and unalterable facts.—*This is the truth, the whole truth, and* nothing but the truth. Let every thinking man ponder well the issue.

HIGH PRICES CAUSED BY THE RADICALS.

The Radical leaders find the negro a heavy load to carry. The issue made by their friends in the last Congress is an ugly one, and they are endeavoring to get away from it by a system of false "trails," branching out in every direction from the true one.

Their last dodge to this end is an attack upon the County Commissioners and Directors of the Poor, in which they raise the hypocritical cry of "extravagance!" "extravagance!" and undertake to prove it by comparing the expenses of the county *during the war* with what they were *twelve or fifteen years ago!* This way of reasoning is not only *dishonest*, but *insulting* to an intelligent community.

Does not every man who builds a house or a barn know that the cost of either is twice or three times as great as it was ten years ago?—and is it to be expected that Commissioners can get county work done for less than private individuals? So with Court costs—Jurors', Witnesses' and District Attorney's fees having been raised, and the criminal business having *more than doubled*. Beside, the population has increased, creating more and more demands for new bridges, new roads, and so on. Juries grant these demands, in accordance with the prayers of and for the convenience of the tax-payers, and are the Commissioners to be charged with "extravagance" because they simply do what the laws say they shall do? In every county in the Commonwealth this increase of expenditure has been going on for several years, the same causes operating upon all alike—in Republican as well as Democratic counties.

Besides there has been a Republican in the Board of Commissioners of this county four out of the last five years—participating in all the business, and responsible with the two Democrats—the Board rarely, if ever differing, in making appropriations. Why did not he stop it, if there was "extravagance?" The answer we have already given.

The negro demagogues who start this cry do it only with a view to humbugging verdant people, and would laugh in their sleeves should it succeed in gulling any one.

In regard to the increase of expenditures at the Poor-house, the explanation will suggest itself to *every* mind. Is there a man, woman or *child* in the county who does not know that the cost of living has more than trebled during the last four or five years? Take the prices of flour, meat, sugar, coffee, muslins, and compare them with what they were before the war, and every dollar of increased expense at the Alms-house is accounted for. Every article used at the house, as well as given to out-door paupers, has been purchased at the enormous prices caused by the war—(a war, by the way, which would never have occurred but for the sectional hate engendered by these same Radicals.)

The Democrats who have occupied, and now occupy, seats in the Boards of Commissioners and Directors have always borne the highest character for *economy* and *honesty*, and we are safe in saying that if the Radicals had no *political* designs upon these offices, they would be secure against all complaints now. Had the Radicals had entire control of the two Boards during the war, the expenses would certainly have been quite as heavy—indeed much heavier, if the fashion so common during that period among them in other quarters had gotten a foothold here.

The PEOPLE understand these things—and who should understand them better than they, having suffered, and are still suffering, the burden of high prices. The only blame lies at the door of the Radicals, and they can never get rid of the odium thus incurred.

☞Ross, the Kansas disunionist, who was appointed to complete the unexpired term of Senator Lane, hurried to Washington, got sworn in and served three days—for which he was voted $5,000 and mileage by the Rump Senate! What an *economical* set of beings the Radicals are.

HOW GLORIOUS BREAKS THE MORN!

The opening of the campaign gives glorious promise of VICTORY. From all parts of the State comes the cheering news of large conservative gains. The Democrats and National Union men are making converts every day. The old leaders of the "Republican" party are helping us in the good work. Ex-Gov. Wm. F. Johnston, Senator Cowan, Maj. Charles H. Shriner, Hon. Joseph R. Flanigen, Gen. J. M. Zulick, S. Snyder Leidy, Esq., Ex-Mayor Henry, of Philadelphia, Gen. Richard Coulter, and others, are doing splendid service in the conservative ranks. Ex-Gov. Ritner, venerable as he is, traveled twenty miles, a few days ago, to see Mr. Clymer and assure him of his support. Gen. Joseph H. Kuhns, of Westmoreland county, presided over a large conservative meeting held at Greensburg, a few days since. In Allegheny county there is a Union ticket of all the Anti-Radical elements which will carry the county. In Philadelphia there are 10,000 Johnson Republican voters registered who will *not* support Geary. In Bradford county the Conservative Republicans, headed by Ex-Congressman Tracy, refuse to support Geary and the Radical candidate for Congress.

The good work goes bravely on!

THE OLD LEADERS.

We ask our "Republican" friends to consider the fact that their old leaders now stand in the vanguard of the National Union party, which, with the Democracy, forms the conservative element of the country and which supports the President as against the Radicals. WILLIAM H. SEWARD, GIDEON WELLES, SENATOR COWAN, THOMAS EWING, of Ohio, SENATOR DOOLITTLE, THURLOW WEED, HENRY J. RAYMOND, JUDGE B. R. CURTIS, GEO. ASHMUN, (who presided over the Convention that nominated Lincoln in 1860,) SENATOR DIXON, GEN. F. P. BLAIR, MONTGOMERY BLAIR,—these were the *founders* and the long trusted leaders of the "Republican" party. They are all now with the President and acting in concert with the Democratic party. They are the men who led the "Republican" party to victory. Had their leadership been followed by the mass of that party, the Democrats could have done nothing but assist them in restoring the Union. But their counsels were discarded by the Radical leaders, who are now leading the "Republican" party astray, and it remains only for moderate and sensible men in their ranks to break through the trammels of party and stand by Seward and his conservative confrères in their work of restoration. Shall the old leaders be trusted, or shall they be discarded for men who are mere agitators and political revolutionists? This is a question for every "Republican" to consider before he makes up his mind in regard to the issues involved in the coming election.—He must decide between Seward, Weed and Raymond, on the one side, and Stevens, Sumner and Wade on the other.—*Bedford Gazette.*

PRESIDENT JOHNSON AT CHICAGO.

The Presidential party arrived at Chicago on Wednesday evening, where they were received with unbounded enthusiasm. The PEOPLE turned out *en masse* to do honor to the Chief Magistrate of the nation. On Thursday the corner stone of the Douglas Monument was laid. The Masons performed the ceremony, and Gen. Dix delivered the oration. The President delivered a brief address, closing with the declaration that "if it were possible for Stephen A. Douglas to be disturbed from his slumber, he would rise from his grave, and proclaim the Constitution and the Union—they must be preserved!" [Great applause.] Secretary Seward responded to repeated calls, and closed with the sentence that "the American people have a new base of life—a life that I now feel *is able to defy faction*, rebellion and powerful enemies to destroy either, now or hereafter, forevermore!" [Tremendous cheers.] General Grant and Admiral Farragut were next introduced, and received a warm greeting, after which the exercises closed. The Presidential party expected to spend yesterday in St. Louis.

A "CRUEL HOAX."

The Radical Convention at Philadelphia was badly "sold" on Wednesday by the following "special:"

C. C. Fulton, Delegate to Convention:

A dispatch from Detroit says that Grant and Farragut have arrived at Detroit, having left the Presidential party.

The dispatch produced great glee among the "delegates." There was enthusiastic cheering, and throwing up of hats, for Grant and Farragut. But the "fun" was soon spoiled by another "special," which told the true story:

DETROIT, Sept. 4.—The party arrived at Detroit at 7 P. M., *General Grant being at the depot in a carriage to receive the President.*

In the language of Mr. Seward, at Detroit, "the poorest invention is that of men who think they can divide General Grant from the President!"

BOND-HOLDERS.

STEWART, VANDERBILT, ASTOR, and other New York capitalists, who hold more of the National debt than the same number of men anywhere, are for the President and against Congress.

Do you hold a Government Bond?

Is it safer under Stevens and agitation, than under Johnson and peace?

☞When Radical candidates approach Democrats, they are very polite, and lavish all sorts of praise upon them. *They want their votes.* A few years ago these same candidates looked upon Democrats as "rebels" and "traitors," who deserved imprisonment or the halter.

☞Houck, in the Legislature, last winter, voted with the negro Radicals all the time. If elected, he would do so again. He would vote for the Negro Suffrage Amendment, and a Negro Suffrage United States Senator. Do the white people of Adams want such a Representative next winter?

☞Border Sufferers, three Republican Legislatures refused to give you a cent of damages. Will you vote for another of the same stripe and thus *endorse* these insults added to injury.

☞Some of the negro papers which, a couple months ago, claimed that Geary would be elected by 40,000, now come down in their figures to 10,000. If the change in public opinion amounts to 30,000 in two months, wonder if it won't amount to 10,000 more in another month. Clymer will be elected by at least 20,000.

The Skies are Bright!—The Republican party, so called, is rapidly falling to pieces; nearly all its great leaders are arrayed on the side of the people, and stand like a wall of brass against the radicals.

Going up!—The Democratic Delegate to Congress in Idaho has 1,000 majority

NEGRO-WORSHIPPERS' CONVENTION.

A Convention of all *shades* of Radicals, from different sections of the country, was held in Philadelphia last week. The first call was for a "Southern Loyalists' Convention," but the managers discovering that it would be a beggarly affair if confined to Southern Radicals, changed it to simply "Loyalists' Convention." Under this new head, Gov. Curtin and other Northern Governors appointed delegates by the score, and in this unauthorized way quite a number of the negro stripe of politicians were gotten together. The most prominent actors in the gathering were Jack Hamilton, of Texas, Ben. Butler, and Fred. Douglass, the negro. *The latter marched in the procession with "de white folks," and made several speeches*, all the time ADVOCATING NEGRO SUFFRAGE!—the right of the negro to all the boxes, "the *jury box, the witness box, and the ballot box!*"

—The Convention on Wednesday appointed a committee to make speeches along the President's route to Chicago! This looks as though the Radicals were *slightly* scared.

—On Thursday some rich scenes occurred. Anna Dickinson and Fred. Douglass spoke strongly in favor of negro suffrage. The Maryland, West Virginia and Kentucky delegations wanted the Convention to adjourn *sine die*, to stop the work of mischief. The Southern Radicals opposed the adjournment.—Boreman, of West Virginia, said "if the dogma of negro suffrage was adopted, the Republican party was gone, and gone forever," and urged the adjournment. Jack Hamilton told the Border State delegates to go—they were there only by courtesy anyhow. After a heated wrangle, the Convention adjourned until Friday morning.

The proceedings of this Convention must have the effect of opening the eyes of the people to the dangerous designs of the Radicals, and thus do much towards strengthening the patriotic position of President Johnson. The skies are daily brightening.

THAD. STEVENS!

Negro Equality!—Black! Black! Black!

Thad. Stevens, Aleck. McClure and John Williamson made speeches last Tuesday night, and each one of them spoke for NEGRO SUFFRAGE and EQUALITY. Old Thad. said the "NEGRO IS THE ISSUE. GERMANS, IRISHMEN AND AFRICANS WERE ALL EQUAL. SO LONG AS I LIVE I WILL MAINTAIN THIS DOCTRINE."

McClure said he would never agree to the restoration of the Union UNTIL THE SOUTHERN PEOPLE PUT THEIR NEGROES UPON A PERFECT EQUALITY WITH THEMSELVES.—Williamson said, "A NEGRO HAS AS MUCH RIGHT TO VOTE AS AN IRISHMAN, AND MORE." Now, here is the doctrine of the Radicals.—Republicans cannot deny this. We can prove it by a hundred witnesses. In the name of heaven, can any decent man endorse it?—*Bedford Gazette.*

Removal from Office—Letter from Secretary Welles.

The Philadelphia *Press* publishes the following letter from Secretary Welles, in reply to an inquiry as to the reason why Mr. Richard Wood was removed from his position in the Philadelphia Navy Yard:

WASHINGTON, D. C., August 23, 1866.

DEAR SIR: Your note of the 17th instant, stating that Richard Wood, "has without alleged cause been discharged," and asking the reasons of his removal, has been received.

The Department does not hold itself bound to assign reasons in every case of change that it makes.

But Mr. Wood is understood to be an active partisan opponent of the President and of those who sustain him in his efforts to re-establish the Union.

The Administration, and those connected with it, would fail in their duty to the country were they to retain in the employment of the Government any one who would weaken and embarrass the efforts which are made to promote National unity, or would, at such a period, impair confidence in those who are exerting themselves to sustain the President in his labors for the welfare of the whole country. Very respectfully,

GIDEON WELLES.

Hon. Leonard Myers, Philadelphia, Pa.

☞The Radicals don't seem to like the name which the Johnson and Clymer soldiers are adopting for their Clubs throughout the State—"the White Boys in Blue." Why object, gentlemen? The Johnson soldiers went into the war to fight for a *white* Government, and they intend to sustain it at the ballot box by voting the *white* man's ticket. They are therefore exactly consistent in adopting that title. Beside, *they like it*—and, so liking, they don't mean to put themselves to any trouble to consult those who prefer the opposite *color*. *You* can adopt what name you please—*black*, if it suits you best.

TAXPAYERS, READ!

Col. Frank Jordan, State claim agent at Washington, was up at Reading, the other day, at the meeting, making another speech for Geary, for which he will take pay out of the State Treasury. He gets $3,000 a year of the people's taxes, for *not* attending to his duties. He has been electioneering for Geary for more than four months and hasn't earned five dollars of the salary he has the effrontery to take out of the Treasury. If Curtin had any regard for the taxpayers he would discard this political excrescence, but he has not. Of course, if Geary succeeds, Jordan will hold this sinecure for three years longer, and deplete the taxpayers of more than $10,000.—*Carlisle Volunteer.*

☞And yet the Radicals here talk about "economy!" What hypocrites!

☞The Radicals have nothing to say when Congress appropriates millions upon millions for the support of idle negroes, but when County Commissioners and Directors of the Poor are compelled to meet increased expenditures, because of the higher prices caused by the war, they set up the hypocritical howl of "extravagance!" extravagance!" How immensely economical they become when *white* people are concerned!

WILMINGTON!

The Radicals reported Wilmington, Del., as having gone for them by "largely increased majorities." Here are the *facts:* In 1864 the city gave nearly 900 majority for Lincoln. In 1865 the Republican Mayor had 495 majority—and on Tuesday last the Republican Mayor had but 229 majority. At this rate of "increase," the Radicals have only a year to run to lose the city altogether. The State is sure for Johnson's policy.

ANOTHER HEAVY EXPLOSION IN THE RADICAL CAMP!

Rev. Henry Ward Beecher, the great anti-slavery preacher, has written a letter *endorsing President Johnson's restoration policy!*

☞Koontz voted against the bounty to white soldiers. What say you, "boys in blue?"

☞A Radical paper says that the Geary procession at Mechanicsburg was "three miles long." This is believed to be the tallest lie of the season.

CLYMER SOLDIERS' CLUB.

"Tramp! Tramp! The Boys are Marching!"

The soldiers who intend "to vote as they shot"—for the Union—held a meeting at Wolf's Hotel, in this place, on Thursday evening, for the purpose of organizing a Johnson and Clymer Club. The attendance was fine and the spirit manifested highly gratifying. Maj. D. J. Benner was called to preside, and, upon taking the chair, addressed the meeting in a very happy manner. He said that as soldiers they would sustain at the ballot box the principles they fought for in the war—and Andrew Johnson stood upon these principles.

J. J. Myers was appointed Secretary.

Adj. J. H. White moved that the permanent officers of the Club consist of a President, three Vice Presidents, Corresponding and Recording Secretaries, a Treasurer, and an Executive Committee, which carried. The Club at once proceeded to fill these offices, and the following persons were chosen:

President, Maj. D. J. Benner.

Vice Presidents, M. M. Miller, Geo. C. Crass, Jerome J. Martin.

Recording Secretary, J. Jeff. Myers.

Corresponding Secretary, J. H. White.

Treasurer, Capt. W. J. Martin.

Executive Committee—Maj. Henry S. Benner, Jacob W. Gilbert, Jacob McDannell, Daniel H. Klingle, Jacob Eicholtz. The officers of the Club are also members of this Committee.

Committee to report Constitution, J. H. White, W. J. Martin, Jacob W. Gilbert.

Financial Committee, Charles E. Gilbert, Lewis Myers, M. Crilly and J. Jeff. Myers.

H. J. Stahle was called on for a speech. He complied at some length, after which the meeting adjourned until Thursday evening next, at the same place.

—This is a movement in the right direction, and we hope that conservative soldiers throughout the county will immediately form Clubs also! They fought for the Union on the battle-field, and should now organize to sustain it at the ballot box.

☞Major General John E. Wool has written a strong letter endorsing President Johnson. He says, "another civil war is indicated by those who declare the Union dissolved." "We have had war enough—let there be peace."

Major General Stoneman has also taken his stand with President Johnson.

☞The niggerites say that the County Commissioners and Directors of the Poor, during the last several years, spent more money than did those in office before the war. Of course they did, as any fool might know. Prices of all sorts have been higher by from two to six hundred per cent. But if these Radicals, with the extremists of the South, had not "kicked up" a war, local expenditures would have been no greater than before it occurred. The Radical leaders are themselves at fault in this matter, as well as in regard to all the increase of taxation, and the people, who have to bear these burdens, should not forget them for it.

☞A monster Johnson and Clymer meeting, was held at Pottsville on Monday. The President, General Henry Pleasants, and the Chairman of the Committee on Resolutions, Colonel Frank T. Bennet, both brave officers during the war, were formerly with the Republicans, but have now joined the party of the Union and the Constitution. There are scores of such prominent changes throughout the State.

☞The Johnson and Clymer men had a meeting at Bedford on Monday evening, the largest political gathering ever witnessed there. Hon. J. McDowell Sharpe, Hon. Montgomery Blair, Hon. A. H. *Coffroth* and B. F. Meyers, Esq., addressed it.

☞Hon. Hiram Findlay, of Somerset, and Col. John H. Filler, of Bedford, are the candidates against the Radicals for the Legislature in the Somerset, Bedford and Fulton district. Col. Filler served through the war, and though formerly a hard-working Republican, is now an ardent Johnson man. He can't stomach the nigger.

☞A grand Mass Meeting of the friends of Johnson and Clymer will be held at York on Monday, the 24th inst. Hiester Clymer, Montgomery Blair, Senator Cowan, Senator Doolittle, Gen. McCandless, and others, are announced as the speakers. The Democrats and Conservatives of Adams are cordially invited to attend. It will be the largest meeting ever held in York.

☞Senator Cowan is now on the stump in the western part of the State, striking gallant blows for Johnson and the Union. His exposures of the disunion designs of the Radicals are decidedly scathing.

☞Among the prominent gentlemen in this State who supported Lincoln, and are now outspoken in their endorsement of Hiester Clymer, are the following:

General James A. Beaver,
General John Frazer,
General Joseph F. Knipe;
Colonel Jacob S. Haldeman, late Minister to Sweden, under President Lincoln;
Colonel Richard Coulter, of Westmoreland;
Colonel Thomas J. Jordan.

☞It is unsafe to put Radicals into office anywhere. Their party leaders have set them too many examples of stealing—examples which the "smaller fry" might feel inclined to follow.

☞EVERY ELECTION OFFICER WHO WILL DISFRANCHISE ANY SO-CALLED DESERTER WHO IS OTHERWISE QUALIFIED TO VOTE, WILL BE PUNISHED TO THE UTMOST EXTENT OF THE LAW.

☞Mr. Clymer is met and welcomed by immense crowds of citizens in every town of the State which he visits, and commands the great enthusiasm. Reports of the canvass from every quarter are most encouraging.

☞Gen. Banks, who lost his army but saved his life up the Red river, calls Gen. Grant "a time-server." It must be admitted that Grant "served" well and was always up to "time."

☞Congress gave the negro soldier three hundred dollars bounty. Congress gave the white soldier but one hundred dollars bounty. Geary openly sustains Congress. How can any soldier vote for Geary?

☞*Democrats!* Conservatives! the skies are bright! We never entered on a campaign with better prospects of success.—The disunion negro party is being crushed beneath the weight of its own enormities, and is broken and divided. Let this encourage us to labor. Be united, be active, be vigilant.

☞Democrats, attend to the Assessments.

TOWN AND COUNTY AFFAIRS.

FOR THE CAMPAIGN.—The *Gettysburg Compiler* will be furnished from this time until after the October election at TWENTY-FIVE CENTS, *in advance*. We have already added hundreds of campaign subscribers to our list, but will make room for more.

NEW POST-OFFICE.—A new Post-office has been established at Wm. A. McSherry's Store, in Mountpleasant township, with Mr. McSherry as Postmaster. The name of the office is "Red Land."

THE FAIR GROUNDS.—There will be a "general jubilee" on the Fair grounds at Bendersville on Saturday next, the 15th inst. The public are invited—no charge. The track has been graded. Bring out all the fast horses.

TALL CORN.—Mr. Wm. Sterner, of Mountjoy township, sends us two very tall stalks of corn—one of them measuring sixteen feet and four inches. That's running up high, as Clymer's majority will.

PIC NICS.—The Basket Pic Nic at Bream's mill, on Saturday week, was a large and pleasant affair—as was the Red Men's Pic Nic, near Greenmount, on Thursday. The Gettysburg Band accompanied the latter, and added much to the general enjoyment.

BASE BALL.—An interesting game of Base Ball was played a few days ago between the Stars of Petersburg and the Olympics of New Oxford. The count stood 59 for the Stars and 16 for the Olympics. The game came off at Petersburg.

☞To Mrs. Daniel H. Klingle, of Cumberland township, we are indebted for a basket of delicious apples. Thanks!

☞Our weekly expenses are heavy, and must be met with *cash*. Will not those indebted help us to do so by paying promptly what they owe? We have much need of money at this time.

Another Tape-Worm Expelled.—On Sunday last, Dr. George Frederick Feistel, who has acquired quite a fame in the extermination of tape worms, succeeded in another marvellous operation, in the case of a little girl, thirteen and a half years old, a daughter of Mr. Daniel Ilgenfritz, who resides on the farm of Judge Black, near this Borough. He extracted one of that formidable species known as the *tenia lata solium*, forty feet in length, and with quite a number of smaller ones. He was a day and a half occupied with this extraordinary case. The girl had been in delicate health for some time, and occasionally subject to spasms in consequence of this monster. We are informed that three physicians, one of whom was from Philadelphia, prescribed for her, but without relief. It generally takes Dr. Feistel about eight hours to expel one of these monsters from the system; in this, however, he was over thirty-six hours, proving it to have been a most malignant case. The girl, we are told, is now in fine spirits and is quite well. Persons wishing to procure the medical services of Dr. George Frederick Feistel, will address him at Pine Hill Postoffice, York County, Pa.—*York Press.*

"The Negro bears the Palm."—The Rump Congress voted NEGRO SOLDIERS who served TWO years, THREE HUNDRED DOLLARS BOUNTY.

The Rump Congress voted WHITE SOLDIERS who had served THREE years, ONE HUNDRED DOLLARS BOUNTY.

☞The Radicals at Philadelphia refused to pay the slightest mark of respect to President Johnson, Gen. Grant or Admiral Farragut. But when Fred. Douglass, the negro, arrived, he was received with enthusiastic cheers! Conservative Republicans, can you endorse such disgusting doings with your votes?

☞Col. T. C. McDowell, of Harrisburg, over whose support of Lincoln in 1864 the Republicans made so loud an ado, is now supporting President Johnson.

☞When General Sherman was leaving Cleveland, he responded, in answer to the inevitable demand for a speech, "I see that the Atlantic Cable has been successfully laid—that's a great thing.—I also see that Congress has adjourned—that's a good thing, and if the hot weather only keeps off, that, too, will be a good thing."

☞The New York *Tribune*, of a recent date, asks the following question: "If *Negro Suffrage* is not the question now before the people, we would like to know what is." Will some of our Adams county Radicals answer?

☞The New York *Herald* figures up a gain of *fifty* Congressmen for the Conservatives in the coming elections.

☞The Democratic meeting at Greefenburg, on Saturday evening, was large and enthusiastic. Hon. J. McDowell Sharpe, was one of the speakers. Proceedings next week.

☞The Radical Convention at Philadelphia adjourned *sine die* on Friday. Better for the Radicals it had never been held.

☞William J. Richardson, in a card in the Pittsburg *Republic*, says that his name was used as a vice president of a Geary meeting without his knowledge or consent.

☞Ben. Butler, who was the leader in the Breckinridge movement at Baltimore in 1860, has become a great favorite with the Radicals. The extremes are now together—on the platform of Disunion.

☞Vermont has gone for the niggerites, as usual. It is hardly to be expected that daylight will ever enter that benighted State.

☞George H. Pendleton has been nominated for Congress by the Democrats and Johnson men of the First Ohio District.

☞The Washington City Councils have resolved to give the President a grand reception on his return.

☞Chester county gives the Geary party 3,000 majority. The delegation which went to Reading to the Geary powwow, carried a banner inscribed "Equal Rights To All." There can be no "equal rights to all" unless negroes are allowed to vote, hold office and do and have everything that white men do and have.

☞The Lebanon *Advertiser* says that "General Geary put a guard over a spring to keep the water nice for himself and staff, and made the privates get their water and drink from a dirty stream," and adds that "he never treated a private with even ordinary respect."

ASTHMA CURED.

Mr. Wm. May, of 345, Spring Street, New York, writes, Jan. 1, 1866: I have been afflicted with asthma for upwards of ten years, receiving no benefit from medical men. I was advised by a friend to try one of Allcock's Porous Plasters. I did, I had tried several kinds of plasters without any benefit, and supposed they were all alike.—My friend gave me one of Allcock's, and urged me to use it. I did so, and have now worn them steadily for nine months, and find myself better than I have been for many years. Agency, Brandreth House, New York. Sold by Druggists.

Cleanse the Blood.

With corrupt, disordered or vitiated Blood, you are sick all over. It may burst out in Pimples, or Sores, or in some active disease, or it may merely keep you listless, depressed and good for nothing. But you cannot have good health while your blood is impure. AYER'S SARSAPARILLA purges out these impurities and stimulates the organs of life into vigorous action, restoring the health and expelling disease. Hence it rapidly cures a variety of complaints which are caused by impurity of the blood, such as Scrofula, or Kings' Evil, Tumors, Ulcers, Sores, Eruptions, Pimples, Blotches, Boils, St. Anthony's Fire, Rose or Erysipelas, Tetter or Salt Rheum, Scald Head, Ring Worm, Cancer or Cancerous Tumors, Sore Eyes, Female Diseases, such as Retention, Irregularity, Suppression, Whites, Sterility, also Syphilis or Venereal Diseases, Liver Complaints, and Heart Diseases. Try Ayer's Sarsaparilla, and see for yourself the surprising activity with which it cleanses the blood and cures these disorders.

During late years the public have been misled by large bottles, pretending to give a quart of Extract of Sarsaparilla for one dollar. Most of these have been frauds upon the sick, for they not only contain little, if any, Sarsaparilla, but often no curative properties whatever. Hence, bitter disappointment has followed the use of the various extracts of Sarsaparilla which flood the market, until the name itself has become synonymous with imposition and cheat. Still we call this compound "Sarsaparilla," and intend to supply such a remedy as shall rescue the name from the load of obloquy which rests upon it. We think we have ground for believing it has virtues which are irresistible by the ordinary run of the diseases it is intended to cure. We can only assure the sick, that we offer them the best alternative which we know how to prepare, and we have reason to believe, it is by far the most effectual purifier of the blood yet discovered by any body.

Ayer's Cherry Pectoral is so universally known to surpass every other remedy for the cure of Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the relief of Consumptive Patients in advanced stages of the disease, that it is useless here to recount the evidence of its virtues. The world knows them.

Mar. 5, '66. 1y 831 Broadway, N. Y.

☞ Geary's managers wouldn't let him make a speech at Mechanicsburg, on the 18th. "He briefly acknowledged the hearty reception," and compared himself to the "sun of Austerlitz," when Gov. Curtin was shoved in front of him; two factotums drew the No Prefix to the rear, and the band was ordered to strike up. The ruse was so palpable that hundreds observed it. A prominent member of the Geary party, upon his return to Harrisburg, remarked, exultingly, "Well, I'm glad Geary wasn't allowed to make a fool of himself in a speech to-day." If Geary has to be held in leading-strings now, how will it be should he be elected Governor? Will he be allowed then to "make a fool of himself," or will he be managed as he is now? This is a serious question.—*Patriot & Union.*

☞ We sincerely trust that the Radical disunionists will send their candidate for Governor to every county and town in the State. A few more such speeches as he made near York, last week, will leave him in a minority of fifty thousand votes. "General" Geary's bombastic announcement that "he was a soldier—had set squadrons in the field—and had never known defeat," made him supremely ridiculous; while his distinct allegation that all the gallant soldiers who composed the Harrisburg Convention were "shysters, cowards, skulkers, and hospital bummers," exposed him to the serious charge of having deliberately uttered what he knew was positively untrue. We understand that the Democratic State Central Committee have printed a hundred thousand copies of "that speech" as a campaign document, and intend to scatter it broadcast throughout the Commonwealth.—*Reading Gazette.*

☞ The National Union Party is sweeping over the whole Union like the bright sun in a cloudless day. This is the last year of Radical Republicanism. The platform is giving way—we don't intend to be hurt when it falls.—*Huntingdon Globe.*

And, accordingly, the *Globe hauls down the name of Geary!*

☞ The Perry *Democrat* says that at the close of the Disunion meeting at New Bloomfield, on court week, Geary called for "three cheers for Congress!" Of course this was because "Congress" gave three hundred dollars to the darkies for two years' service, and one hundred dollars to the white soldiers for three years' hardships.

☞ The New York *Tribune* bewails the political prospect in the Empire State. It says: "We shall have a desperate struggle in our State this fall. The coalition against us is strong in crafty political managers, strong in official 'spoils,' will be strong, also, in money." There is not the shadow of a doubt that the radical faction will be completely annihilated this fall in that State by the Democracy and Conservatives.

☞ The Radicals insulted President Johnson, General Grant, and Admiral Farragut, during their recent visit to Philadelphia, and refused to extend to them the hospitalities of the city. They honored and received with every expression of delight Parson Brownlow, Jack Hamilton, General Butler, and Fred. Douglass when they made their appearance in that city. Can the people forget this on the second Tuesday of October?

☞ There is a rumor that two or three of the New Jersey Union State Senators will vote with the Democrats, and thus defeat a joint meeting of the Legislature.

☞ The New York *Commercial*, a journal in favor of the course of the Radical Congress, gives its friends in office some advice which they will do well to heed. Here it is:

"The best thing Republicans who hold office and who cannot indorse the President can do is to follow the example of Cabinet officers and resign. The resignations will be accepted."

RAW BONE PHOSPHATE,

containing 53 per cent. of Phosphate of Lime, and 5.05 per cent. Ammonia.

It should be borne in mind that the Phosphate of Lime in this article being obtained exclusively from RAW BONES and a TRUE BIRD GUANO, there is NO PORTION of it INOPERATIVE, as in the case of SUPER PHOSPHATES made from MINERAL GUANOS—but being entirely SOLUBLE in the SOIL, continues to IMPART its FERTILIZING qualities to the CROPS for YEARS.

The REMARKABLE SUCCESS which has attended its use for years past, is a sufficient, GUARANTY to induce those who have not tried it to do so.

The GRAIN CROP where this FERTILIZER has been applied is supposed to have been INCREASED from 25 to 50 per cent. by its use, while for TOBACCO and GRASS LANDS its success has been EQUALLY DECIDED.

LIST.—Lemon, Orange, Vanilla, Rose, Peach, Nutmeg, Celery, Allspice, Cloves, Ginger, Birch, Cinnamon, Apple, Mulberry, Pine Apple, Banana, Mace, Raspberry, Pear, Pepper, Parsley, Strawberry, Bitter Almond, and Savory spices.

The great difficulty heretofore experienced in procuring true Flavoring Extracts, has induced the proprietor to spare no pains or expense in giving to the public an article which will be found true to its name, and which will in no instance be a source of disappointment.

It will be observed that our extract of Lemon and Orange is a prepared extract from the Peel, which any one may be convinced of by merely smelling them.

The price of Vanilla Beans, too, has caused more useless Extract of Vanilla to be manufactured and sold than any other essence being either made from Tonka Beans, or some other fictitious compound. In our Extract we WILL GUARANTEE A PURE ARTICLE! made from the true Bean, without any foreign substance whatever.

Bell's Worm Syrup.

THE MOST INNOCENT, PLEASANT AND EFFICIENT REMEDY IN USE.—A REMEDY PERFECT IN ITSELF.—*No Castor Oil to be Taken.*—In this Preparation we have included such remedies only as have been tried for years and are known to possess powerful anthelmintic virtues, combined with mild aperients, pleasant aromatics and sugar. Anthelmintics of themselves cant or perform their peculiar functions or have be desired effect, unless the bowels are kept moderately open. To produce this, gentle purgatives are necessary and such only ought to be used that cannot interfere with the anthelmintic employed. The advantages we claim for this Syrup are:

1st. Its power of DESTROYING AND EXPELLING WORMS!

2d. Its mild aperient effect upon the bowels.

3d. Its pleasant taste and odor are advantages possessed or claimed by very few Vermifuges.

4th. Its harmless influence upon the system, consequently no injurious effects will result from its use should the patient have no Worms, but an apparent disease, arising from some other unknown cause, which is frequently the case.

The constituents of this Syrup and its effects are known to many Physicians, who are now using it in their practice to a large extent.

Price 25 cents a bottle.

The Greatest Liniment in Use.

BELL'S WHITE OIL!—*The Blandest, Cleanest, most Penetrating and most Economical Liniment in Use.*—A powerful Oleaginus Compound for the Speedy Cure of Rheumatism, Strains, Sprains, Wounds, Numbness of the Limbs, Frosted Feet and Hands, Spavin, Saddle Galls, Poll-Evil, Ring Bone, Bruises, Swellings of all kind, and in fact every disease for which an Embrocation is applicable, either in Man or Beast. Price 25 cents a bottle.—This preparation, which is original with us, will be found to be one of the nicest and at the same time one of the most reliable applications extant.

Having been employed very extensively since its introduction and feeling satisfied of its remedial properties, we recommend it with the utmost confidence, knowing that no one will be disappointed in its use. It is, as its name implies, a white liniment of the consistency of cream, containing nothing offensive, but, on the contrary, will be found more pleasant than otherwise.

Bell's Alterative,

OR CONDITION POWDERS!

FOR HORSES, CATTLE & SWINE.

25 cents a paper, or five papers for $1.

The immense sale of these Powders during the short period they have been before the public, is a sufficient guarantee of their great popularity, and the decided benefits derived from their use.

They are confidently recommended not only as a preventive, but as a complete cure for all diseases incident to the HORSE, COW or HOG, as Loss of Appetite, Coughs, Heaves, Yellow Water, Distemper, Glanders, &c., &c.

By their use the Horse's Appetite is improved, all derangements of the digestive organs corrected, softening the skin, and giving to the coat a sleek and shining appearance, and may be used with perfect safety at all times, as it contains no ingredients which can injure a horse, whether sick or well.

They cleanse the breathing apparatus by ejecting from the air cells coagulated matter, or that formation which so severely clogs them, causing a tightness in breathing, and by their peculiar action on that part, they cause the mucus membrane to resume its natural dimensions, thus equalizing the circulation of the blood and restoring the distended vessels to their natural size.

For fattening cattle they are invaluable, also possessing peculiar properties in increasing the quantity of milk in Cows, thereby giving them an importance and value which should place them within the hands of all interested.

All diseases to which the Hog is subject, as Coughs, Ulcers in the Lungs and Liver, and as a general purifier of the blood we guarantee their efficacy if once fairly tried.
